## **GRANTEE FINAL REPORT**

The Joseph H. and Florence A. Roblee Foundation was pleased to have made a grant to your organization. We look forward to receiving a report of your progress. Please include your responses to the questions below, as well as any additional information that would enhance our understanding of your accomplishments and challenges. This report is due 12 months after the receipt of the grant, or at completion of the project funded, whichever comes first. *Please e-mail your report to [kathydc@robleefoundation.org](mailto:kathydc@robleefoundation.org).* Please contact Kathy Doellefeld-Clancy if you have any questions.

Agency

Person completing report

Date of grant

Project funded

Referring to the goals and objectives as stated in your proposal, to what extent have each been met?

What problems were encountered in meeting the project's objectives? How were the problems resolved?

If this project is a longer term effort for your organization, what are the plans for the coming year? Will the project design or goals be changed significantly? How will funding for continuation be secured?

What were the major benefits of this grant to your organization and to the community?

List any accomplishments by your organization that were directly related to this grant.

Financial Report:

- i. Project expenses
- ii. Actual expenditures from Roblee Foundation grant

If actual project expenses varied significantly from the budget projected in the Proposal, please explain.

Candid feedback regarding your experiences in working with the Foundation will help us improve our work and will be greatly appreciated.
